Encore indeed! Just one stay will have the most discerning guest wanting to come back to these brilliantly appointed, fresh apartments. Featuring contemporary styling with bold dashes of colour and airy space, they are ideal for holidaymakers and business travellers alike.

Families or small groups will find the townhouse to be ideal. Upstairs offers three gorgeous bedrooms and a luxury bathroom with twin basins and spa. The ground floor features a superb stainless steel kitchen and fully equipped

laundry. On the technology front, guests have internet access, direct-dial telephone, flat-screen TV and movie/music players. A large courtyard echoes to the soft tinkle of a water feature, creating the perfect ambience for relaxing after a day of work or touring the region.

The one- and two-bedroom apartments present similarly elegant spaces with stylish decor. Encore Apartments offer the freedom of self-contained accommodation within walking distance of Bathurst's entertainment venues. Marry this with discreet managers who are there if called upon and we think Encore will always justify a repeat performance.
